## Good Business...

Each mini will cost the salon \$1.50, if you the salon owner add \$1.50 to \$3.00 per service; this will more than cover the cost of polish. Your client always gets a fresh bottle of polish personally chosen by them with no risk of cross contamination. You the salon owner don't pay for polish that is used on any client. This will increase your bottom line. A profit center vs. a cost W/O, Image that!

ALL PAPER PACKAGING FOR ONE & DONE IS 100% RECYCLABLE. ASK YOUR SALON REPRESENTATIVE FOR MORE DETAILS.
