L'anza Line Heals Breakage

Santa Monica, Calif.— L'anza has launched a line of healing formulas that boost hair's strength and elasticity while reducing hair breakage. Called **Healing Strength**, the line features White Tea Shampoo, Manuka Honey Conditioner, and Neem Plant Silk Serum. Each product is formulated with L'anza's CP Anti Aging Complex and Keratin Healing System, which combine to strengthen hair that has become weak and brittle from chemical processing, heat and other age accelerators.
